- Assist with problem solving and provide emotional support to parent(s).
- Be a positive role model and give positive feedback to empower clients in regards to problem solving, self-care, birthing and parenting.
- Have a clear understanding of client's support systems and significant family members and encourage their positive involvement.
- Work with parents to strengthen the family's knowledge of child development, including assisting parents to understand how children grow and learn, and planning and conducting child education activities with the parents, which meet the child's intellectual, physical, emotional, and social needs.
- Assist parents in creating a home environment that is conducive to learning and appropriate to the maturity and interests of the Early Head Start child.
- Assist parents and children in the home to achieve curriculum goals.
- Assist parents in meeting the health, nutrition, and social service needs of the family.
- Work with the Early Head Start Team to plan group socializations.
- Encourage parents to attend socializations, parent education programs, Parent Committee and Policy Committee meetings.
- Coordinate transportation needs as required.
- Assist in evaluating the progress of children and providing reports to parents, Education Specialist, Director, Parent Family Engagement Specialist and governing bodies. Assist with completing skill checklists and ongoing observation, as it relates to the COR Advantage assessment tool.
- Maintain confidentiality.

- Maintain records as required (i.e. narratives, case notes, attendance records, etc.) and document services delivered in a timely fashion.
- Must address children, families and staff with respect and by name.
- Maintain a positive and professional working relationship with clear professional boundaries that are sensitive and accepting of differences with staff and families.
- Assist parents to strengthen their knowledge of community resources.
- Coordinate with other staff regarding health screenings for children and other family members. Assist in obtaining and informing parents of needed screenings for child's file. Reports weekly to the Health Specialist the number of screenings completed and still needed as it relates to their case load.
- Establish a strong system that supports ongoing communication with the Family Service Worker as it relates to Family Service Assessments and Family Partnership Agreements. Assists in establishing goals to work on with the family based on the family's needs.
- Engages family in agency and community activities/programs that could offer additional support or services to the family.
- Keeps a running log of contact notes in *Child Plus* and weekly narratives from the home visit.
- Cooperates in any investigation related to personnel, licensing, accreditation or other circumstances.
- Work positively and cooperatively with his/her supervisor, colleagues and all AIHFS staff.
- Attend training and agency/department meetings, as required or requested.
- Assist with coordination and oversight of Interns and volunteers, as needed.

Other Duties and Responsibilities: As assigned.
