Our Mission

Empower and enhance the physical, spiritual, emotional, and mental wellbeing of American Indian families and other underserved populations in SE MI through culturally grounded health and family services.

Our Vision

AIHFS will be nationally recognized as a leading Urban Indian health and community center supporting healthy Native people, families, and communities.

About Us

American Indian Health & Family Services of Southeastern Michigan (AIHFS) Inc., is a Title V, Urban Indian Health Organization. We are supported by funding from Indian Health Service, a variety of grants, and contributions from partners and community members.

AIHFS combines Western medical practice with traditional healing to encourage overall wellness among the people.
