### Sweat Lodges by Denise Shannon (13 years old), Navajo

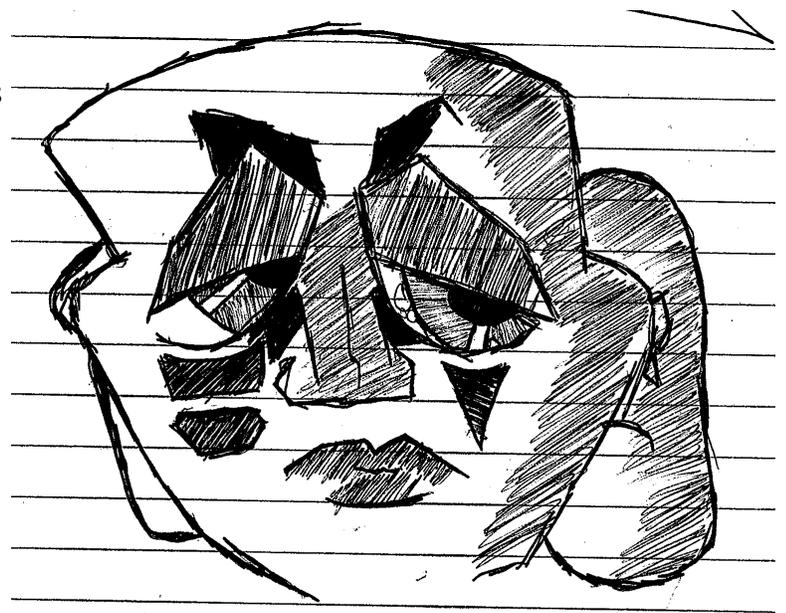

First let me tell you what a sweat lodge is! A sweat lodge is a spiritual place where you pray and sweat. Sweating is an important part, I mean come on, it's in the name!! When you sweat you are cleansing your mind and body. They say that when you wear shorts or a skirt the spirits identify you as a boy or a girl. We are having our next sweat lodge here at AIHFS on March 9th, 4:30-6:30pm.

We hope you can come!

### Winter Blast Teen Group by Richard Green (14 years old), Choctaw

Hi! My name is Richard Green. This is my first year here at the youth center. I went with seven of the youth center members to the winter blast and it was actually a lot of fun! We saw cool ice sculptures, some professional skaters and went ice skating. After going to that I wanted to come back and see what they do during the week!

At AIHFS teen group we learn a lot of things. On Friday we went downtown Detroit and we looked at Ice Sculptures and took cool pictures with them! After that we went ice skating and had a lot of fun. AIHFS has taught me a lot of things that can help me in life, so you need to tell family and friends to some join the youth group because it is LOTS and LOTS of Fun!
