

# NSTEAM

Natives in Science, Technology, Engineering, Arts and Mathematics  
April 19 – 21, 2024

Michigan State University

The **N**ative **A**merican Institute in collaboration with the Office of University Outreach and Engagement and the MSU Science Festival invites 20 Native students (9<sup>th</sup>-12<sup>th</sup> Grade) to the campus of Michigan State University to participate in STEAM related programming Friday, April 19<sup>th</sup> through Sunday, April 21<sup>st</sup>.

This event is designed to expose Native youth in the 9<sup>th</sup>-12<sup>th</sup> grades to hands on sessions focused on science and technology. The event includes the opportunity to attend a presentation and book signing by Dr. Robin Wall Kimmerer the Author of Braiding Sweetgrass.

## REGISTRATION REQUIRED

To Register to attend NSTEAM – please click on this link [NSTEAM Registration](#) and complete the required forms by no later than March 1, 2024. NOTE: Because this is an overnight event, a chaperone is required to attend with you. This can be a parent, grand parent, guardian, or tribal educator (background check required for non-family members).

**NSTEAM is FREE**  
**Lodging and Meals Provided**  
**Free Copy of Braiding Sweetgrass**
